# Join the *Krewe* of *House the 9*

*'How's the 9?' This is the question by which the recovery of New Orleans will be judged.*

To the majority of the world, **Mardi Gras** is a Tuesday like any other day. But in New Orleans, Mardi Gras isn't just a day, but a season and a way of life. Thousands of people throughout the city, and even the world, pay their dues each year to join their favorite Krewe, to dance the night away at their Krewe ball and ride on the magical floats. The remainder of the city lines the streets, marveling at the ornate floats, catching beads and collecting signature throws like a Zulu coconut or a Nyx purse.

The *Krewe of House the 9* exists to **partner with the residents of the Lower 9th Ward** in their determination to continue the **legacy of homeownership** left to them by their parents and grandparents.

The Lower 9th Ward Homeownership Association invites you to join the *Krewe of House the 9*. Ride as **Royalty**, a **Celebrity Guest**, a **Float Rider** or as a **Float Lieutenant**. March in the **band**, or join us as a **Krewe Member**.

Our Krewe Colors: **Purple**, representing **justice** for all  
**Green**, for **faith** in our supporters  
**Gold**, for **power** in the grassroots

Our Signature Throw: an Authentic New Orleans Praline
